Using the left navigation links

5

These fast path links on the left navigation column (blue) allows you to quickly narrow down the number of dropdown selection items by restricting those lists to only the results that apply (black).

The screenshot displays the USDA Actuarial Information Browser interface. The top header includes the USDA logo and the text "United States Department of Agriculture Risk Management Agency" on the left, and "Actuarial Information Browser" on the right. Below the header is a banner image of agricultural fields. A navigation bar contains a "Home" link. On the left, a "Browse by Application" menu lists various options, with "Rainfall Index" highlighted in a blue box. The main content area shows the "Rainfall Index" page with a breadcrumb trail: "Information Browser > Actuarial Information Browser > Rainfall Index". Below this, there are two main sections: "Criteria Order" and "Select - Criteria". The "Criteria Order" section lists "Insurance Plan", "Commodity", "Commodity Year", and "State/County/Grid ID". The "Select - Criteria" section contains dropdown menus for each of these criteria. The "Commodity" dropdown is open, showing a list of options including "Apiculture (1191)" and "Pasture,Rangeland,Forage (0088)". At the bottom of the "Select - Criteria" section are buttons for "clear", "Grid ID Tool", and "View Report". The footer of the page contains a series of links: "RMA Home | USDA.gov | Civil Rights | Report Fraud | Copyright Information | Jobs | Site Map | A-Z Index | FOIA | Accessibility Statement | Privacy Policy | Non-Discrimination Statement | Information Quality | USA.gov | White House".

Changing your “Select – Criteria” order

6

This feature (black) allows you to change the order in which you drill down to the information you want to see. Just select an item in the list (highlighted) and use the arrows to move a particular item up or down (red) on the list.
